¹ All responses marked as confidential will not be published on the Competition in Connections Code of Practice website.
However, all response forms will be made available to all working group members and the Governance Panel to view.

Questions

1. Do you agree with the amendments to paragraph 4.6.2 of the Code of Practice? (see Appendix One)

Yes, the additional information provides sufficient information for the determination of the majority of the POCs.

2. Do you believe any of the items listed in revised paragraph 4.6.2 to be unnecessary or not required?

No

3. Do you believe there are any other items that should be included in the paragraph 4.6.2 listing?

No

4. Do you agree with the use of the market segments in the template in 4.12.1?

Yes, the market segment provides clarity for the user.

5. Do you believe any of the items listed in the template in 4.12.1 to be unnecessary or not required?

We believe all the information contained within 4.12.1 is required for the establishing of a POC.

6. Do you believe there are any other items that should be included in the table in 4.12.1?

No

7. Do you agree with the criteria used in the template in 4.12.2?

Yes, this table provides the ICP with appropriate criteria to determine a specific POC using a Standard Design Matrix.

8. Do you believe any of the items listed in the template in 4.12.2 to be unnecessary or not required?

We believe all the items listed in the template within 4.12.1 is required.

9. Do you believe there are any other items that should be included in the table at 4.12.2?

No.

10. Do you agree that the modification proposal better meets the Code of Practice relevant objectives? (as shown in paragraph 4.5)

Yes, the changes provide and harmonise the input services to an ICP.

11. Do you have any other comments or observations you would like the working group to take into account?

No.
